The Student Civic Engagement (SCE) branch of the Institute of Politics (IOP) provides opportunities for students to take action on issues that matter to them. Ongoing student civic action initiatives are called SCE projects, and the IOP is looking to add a number of new projects in the 2014-2015 school year! All current students or student groups are welcome to apply. Here’s how it works:

**PROPOSE YOUR IDEA**

Everything starts with you! Submit your SCE project idea online. Here are some characteristics of a successful project:

- It can cover any time period, from a one-time event to a lasting partnership
- It doesn’t have to be political, but it must relate to public service
- It engages with the city of Chicago in a meaningful way

If your proposal is accepted the IOP will connect you with the resources you need in order to bring your vision to life.

**TRANSPORT**

Use IOP ZipCars

**SPACE & EQUIPMENT**

Use the IOP House to conduct meetings and plan next steps.

**COMMUNITY**

Connect with expert staff & students who can advise you

**FUNDING**

Accepted projects can receive up to $2500
