REQUESTS FOR SPACE

Should one of these program areas need to displace a reservation made by another group, notification will be made to the group being displaced. Please see further details below under the Confirmation, Modification and Cancellation section.
- IOP-affiliated groups may begin submitting requests for space three (3) weeks in advance of the start of each quarter. These groups include non-RSOs whose leadership reports to an IOP staff member. These groups are eligible to reserve up to six (6) hours per week at the IOP house, pursuant to room availability. Any request for total reservation time above this amount will be considered on a case-by-case basis.
- Non-IOP-affiliated groups (any group not housed under the umbrella of the IOP) may begin submitting requests two (2) weeks in advance of the start of each quarter.
- To request space, please submit the following online form at least two weeks in advance of the meeting or event: <http://politics.uchicago.edu/pages/room-reservation-form>.
- The online request must include, among other things, estimated attendance. Estimated attendance cannot exceed the relevant room capacity set forth above.
- If requesting use of the Living Room, the online request must include the desired set-up: conference room style or theater style. Please see the Appendix at the end of this document for a sketch of the Living Room set-ups.

RESERVATION FEES

- Use of the IOP house outside of building hours or during the summer quarter requires a fee of **\$50 per hour**. Such fees, which are applicable to all building users (including without limitation Registered Student Organizations and University departments), are designed to, among other things, cover the cost of staffing and maintenance of the IOP house for the meeting or event.

CONFIRMATION, MODIFICATION AND CANCELLATION POLICY

- A request submitted online does not guarantee a reservation. Institute of Politics staff will respond to the online request within two business days via email in one of three ways: denying the request; confirming the request; or seeking additional information.
- In the event a core IOP program (Speaker Series, Civic Engagement, Fellows, Career Development) needs to displace a reservation made by another group, notification will be provided to the group being displaced with as much advanced notice as possible so that a different space can be identified and reserved for the displaced group.
- If a core IOP program displaces an IOP-affiliated student group providing less than seven (7) days of notice, the program area will work together with the student group to identify an alternative space for the group to meet, taking

into account all needs identified in the original reservation (i.e. room capacity, AV needs, accessibility requirements, location).

SPACE USAGE, CLEAN UP & TRASH REMOVAL

- All furniture in the room at the start of the meeting must remain in the room at all times.
- Please consider meeting set-up and cleanup times when making your room requests.
- The IOP has an inventory of eleven 30"x60" tables and 45 chairs available for use; however, to best ensure the availability of tables or chairs, please include the number of each needed on the online request.
- The use of tape, nails, or poster putty on the walls and suspension of items from the ceiling is prohibited.
- Each space is to be left the way it was found at the beginning of the meeting. **This includes not leaving food/drink/trash in the room and resetting the furniture if moved.** Please see the student intern at the front desk to locate any cleaning supplies.
- *Groups will be held to a "three strikes" policy if spaces are continually left dirty after a reservation. Room reservation privileges will then be revoked for a time period to be determined per situation.*

USE OF EQUIPMENT

The IOP has permanent audio/visual equipment in the Living Room, which includes televisions/monitors, a computer, and a dvd player, and HDMI/VGA cables. The Student Workroom is also equipped with a monitor and HDMI/VGA cables. Users must specify their need for this equipment in advance on the room request form when making their reservation request.

FOOD AND CATERING

- Groups are responsible for arranging and covering all applicable costs for any and all food deliveries and for removal of catering equipment immediately after the program. The IOP will not be responsible for the return or storage of such equipment.
- Groups are required to provide their own supply of plates, napkins, utensils and cups whenever food or drink is being provided.

SMOKING AND FIRE

- Per University policy, smoking is prohibited inside, and within 15 feet of all entrances to, the IOP house.
- Candles and open flames are not allowed inside the IOP house.

CONDUCT, RESPONSIBILITIES AND LIABILITIES

- Groups are responsible for any and all damages to the building as a result of their program, including but not limited to spillage, moisture or water damage, carpet and furniture stains, and damage from moving furniture. The IOP reserves the right to assess a fee to cover any costs associated with damage.
- An evaluation of a group's continued reservation privileges will be made if damage occurs and/or if the user leaves the space without properly cleaning it or abiding by IOP policies.
- Groups reserving space are accountable for the behavior of their guests and members. Any theft, damages or personal injuries are not the responsibility of the IOP.

MARKETING

- When marketing your meeting at the IOP house, please use the name "Institute of Politics House, 5707 South Woodlawn Avenue" as the location of the program.
- Please do not promote that a meeting is taking place at the IOP house until a formal confirmation of the reservation has been sent via email by IOP staff.
